"Security Breaches"

Clark Walton - Managing Director

RELIANCE
Forensics, LLC

Clark Walton is the Managing Director of Reliance Forensics, LLC, a private cybersecurity consulting and digital forensics firm based in Charlotte, North Carolina. Clark has practiced law in Charlotte for over 10 years and has been involved in cybersecurity and digital evidence issues for over 15 years. A former CIA cyber threat analyst, Clark is a former member of the American Bar Association Advisory Committee on National Security and is a contributing author to the ABA Cybersecurity Handbook, published in 2013. Also a former assistant DA and special federal prosecutor, he has a Computer Science degree from the University of North Carolina at Chapel Hill and a law degree from Georgetown University Law Center. An adjunct law professor in the areas of cybercrime and evidence, Clark was named the ABA National Outstanding Young Lawyer for 2012 and has lectured and trained attorneys, military assets, and computer forensics and law students regarding the intersection of information security and the law. He is an EnCase Certified Examiner and a Cellebrite Certified Mobile Examiner.
